

DEPARTMENT OF VETERANS AFFAIRS

The VA seal features five key elements. The primary element is the bald eagle, the official symbol of the United States since 1789. The mature eagle is a powerful representation of the United States symbolizing both the American people and the freedoms they enjoy. The circle of five stars above the eagle represent the five branches of the U.S. military; Army, Navy, Air Force, Marine Corps and Coast Guard, which produce the Veterans VA serves.

The two flags in the eagle's talons symbolize America's history from the thirteen colonies to the present fifty states. A golden cord symbolic of those Americans who have fallen in service to their country binds the flags. The cord is also held by the eagle to perpetuate the memory of those veterans who have sacrificed for the nation. The seal's colors are derived from the American flag and the natural colors of the earth, representing the Nation's commitment to its veterans.

ADMINISTRATIONS WITHIN VETERANS AFFAIRS
